

Bron24: Play Together

Simplifying Group coordination, split payments, and social sharing for the modern athlete in Uzbekistan.

Problem Analysis

Coordinating matches is hard.

"Sports bookings are rarely solo, yet coordinating 10 players, collecting payments, and sharing details often happens in messy chat groups."

Introducing Play Together

Our solution bridges the gap between individual booking and collective participation. Users can now:

- ***Build a lineup in-app***
- ***Split the total booking cost***
- ***Generate shared Match Passes***

Arena Selection

The journey begins with selecting the perfect battleground. Our UI features high-quality visuals for:

- **Football Arena: Tashkent Center (150k UZS)**
- **Cricket Turf: Yakkasaray (180k UZS)**
- **Tennis Court: Mirabad (130k UZS)**
- **Basketball Arena: Downtown (100k UZS)**
