About Company	We are a team of passionate students united by the idea of ??making life better. We don't just look at the world with open eyes - we see where it needs to change. Every day we encounter many problems in society, and instead of ignoring them, we ask ourselves: maybe it's possible to do it differently? This is how Bron24 was born - our answer to one of these problems. We don't just create digital solutions, but develop real, understandable and useful products that help people in their everyday liv
